

Breast Self-Examination Poster

SKU: NH-LF00973-EA

DESCRIPTION:

This useful visual training resource has been developed to help educate women with essential breast cancer awareness tools. Use this poster to help educate women on becoming familiar with the normal consistency of their breasts and what steps they take during self-examination. With attractively designed illustrations, Nasco's Breast Self-Examination Poster describes the breast self-examination (BSE) method, variations of self-examinations, changes to look and feel for, and important facts to remember. Make breast self-examination a health habit!
