

# Criterion Nitrile Gloves

SKU: HS-1118537-CS

## DESCRIPTION:

Ideal for health care professionals and patients with latex allergies or sensitivities, CRITERION™ by Henry Schein® N100™ nitrile exam gloves offer a powder-free, latex-free alternative to vinyl and latex materials. Featuring an ambidextrous design, these non-sterile, chlorinated nitrile gloves are suitable for dental offices, medical facilities and other health care settings.
